## **ROSCOE GREENE**

District Governor – 6820  
roscoegreene@bellsouth.net

July 1, 2010

Fellow Rotarians of 6820:

There are many reasons to be passionate about Rotary. Near the top of my list is the fact that I believe the world needs us more than ever before. When I hear that almost 10,000 children die each day from preventable diseases, it breaks my heart. The Bible tells us, "To whom much is given, much is expected." We have been given so much. It is our duty as responsible human beings to give back.

International President, Ray Klingensmith, has challenged us to help in "Building Communities ..... Bridging Continents". This is a message directed not just at Rotarians, but at everyone that cares about his fellow man. It is also a message that calls us to action in the present and the future. This job is never really finished. During this Rotary year remember the Four Avenues of Service: Club, Community, Vocational and International. A well balanced Club enjoys success in each of these areas. A well balanced Club also demonstrates diversity with regard to ethnicity and gender. This assures consistent growth.

Let's finish off polio worldwide once and for all. Let's do our best to assure that every child in Kenya can have a clean drink of water. Let's see to it that every child in Mississippi can read by the time they reach the third grade. Let's go out and tell the good news of Rotary!

We Can Do It .... You Can Help,

Roscoe Greene  
District Governor 2010-11  
Rotary International - 6820

## EX OFFICIO MEMBERS

DG Roscoe Greene, DGE Bob Graves  
and District Secretary James Hunger.

# District 6820 Goals 2010-2011

1. **Membership** - *“Reach One – Keep One”*  
I’m asking every member in 6820 to bring 1 guest to a meeting sometime this year. I’m also asking members to spend 5 minutes talking to a club member they don’t know well.
2. **Health, Hunger, Water** - District is committing \$10,000 in SHARE funds to Bill Boykin’s Kenyan water project. I’m asking each club to consider making an additional donation \$5 per member.
3. **Literacy** - District has committed \$13,000 to support our Emmy Award winning “Between the Lions”. I’m asking clubs that have not participated in this program with a local Day Care to do so.
4. **Rotary Foundation** - I’m asking EVERY Club to make SOME contribution regardless of the amount and would like to see the per capita average within the District to reach \$75.
5. **New Orleans Convention** - I’m asking each club to consider a \$10 per member donation this year to support our Sister District 6840’s effort to bring the 2011 Convention to New Orleans.
6. **Presidential Citation** - Each club should make getting this award a priority. This year there is no minimum membership requirement - it’s strictly a point system. Your club can receive this award “with distinction” if the club has had an exceptional year.

# District 6820 Foundation

Our district foundation, currently known as the 6820 Foundation, was started during the 1940's. Its general purpose is to provide financial support for district projects with a special emphasis on helping smaller clubs. The 6820 Foundation is governed by ten trustees, nine serving three-year staggered terms plus the current district governor. This foundation operates as an endowment with projects being supported only with income earned during the Rotary year preceding the current rotary year.

\* Deceased

Until 1956, the State of Mississippi was divided in two parts. The southern part was in the District with Louisiana to the south and west, and the northern part was in the District with Tennessee to the north. Past District Governors from current District 6820 who served the District in the north, shown above as District 6800, or the District in the south and west, shown above as District 6840, are also listed. On July 1, 1956, the current boundaries of District 6820 were established and we have had our own District Governors since then.
